

Dear All Nordic Dermato-Venereologists,

Travel grants for young Nordic researchers

The Nordic Dermatology Association and its five members, the national societies of Dermatology and Venereology of Denmark, Finland, Iceland, Norway and Sweden are happy to announce that we are offering **26 grants** with a value of **7,000 SEK/grant** to young researchers who wish to present a poster or a free communication at the **34th Nordic Congress of Dermatology and Venereology** in Gothenburg.

Who is eligible?

Young researchers in the Nordic countries who have still not obtained their PhD or who have done so after January 1, 2017.

How many grants are offered per society?

10 grants from Sweden; 5 from Denmark, Finland and Norway and 1 from Iceland.

How do I apply?

Applicants must first submit their abstract and register for the congress. Proof of abstract submission (acceptance not required) and registration should then be sent to your national society. Grants are awarded according to a first-come, first-served basis.

When is the deadline for abstract submission?

December 20, 2018.

How do I register for the congress and submit my abstract?

Please visit our congress website: www.nordicderm2019.com.

Best regards,

John Paoli

Congress President

Agneta Andersson
