Nordic Course on Skin Surgery

Invitation to the 6th Nordic Course on Skin Surgery

On behalf of the Nordic Dermatology Association and Course Faculty we warmly invite you to participate in the [6th Nordic Course on Skin Surgery](#).

This course is a unique learning opportunity for residents and specialists in dermatology who wish to practice dermatologic surgery and take their skills to a higher level of expertise.

The course covers a theoretical review of the basic principles of skin surgery and extensive practical workshops using human cadavers so you will have the opportunity to practice various excision and closure techniques.

On behalf of the organising committee,

Robert Gniadecki, MD, Prof.

John Paoli, MD, Assoc. Prof

Sari Pitkänen, MD, PhD

Gregor Jemec, MD, Prof.

Date: 7-8 November 2019

Venue

Faculty of Health and Medical Sciences,
Panum

Blegdamsvej 3B
2200 Copenhagen N
Denmark

Registration

Registration is open on the course [website](#).

Prices in DKK

- Specialists: 6.700
- Young Dermatologists: 4.700

[Register here](#)

Please note: there is a limited number of seats.

Course Objectives

After participation in this course, physicians should be able to:

- Demonstrate improved skill in primary closures of skin surgery defects.
- Be familiar with advanced types of closures, including skin flaps and grafts.
- Select an optimal closure technique (primary closures, healing by second intention, flaps or grafts) for different anatomic locations.
- Improve skills in cryosurgery and electrosurgery.
- Perform nail surgery for common indications.

About NDA

The Nordic Dermatology Association (NDA) was founded in 1910 in Copenhagen, Denmark. The aim of the association is to promote Nordic cooperation in scientific, educational and clinical aspects of dermatology and venereology, mainly by arranging congresses in the Nordic countries.

The course is held under the auspices of the NDA and the national dermatological societies of the Nordic Countries:

- Danish Dermatological Society
- Finnish Dermatological Society
- Icelandic Dermatological Society
- Norwegian Society for Dermatology and Venereology
- Swedish Society for Dermatology and Venereology
