

TRAINING, INSPIRING, AND CONNECTING THE NEXT GENERATION OF DERMATOLOGY INNOVATORS

The **European Virtual Magic Wand[®] Program** offers a unique opportunity to engage dermatologists interested in the process of problem-based innovation.

- ❖ 12-month interactive virtual course with monthly videoconferences ❖
- ❖ participating physicians selected through competitive application process ❖

Syllabus includes: identifying unmet needs, regulatory and commercial considerations of product development, & creating an effective pitch deck

Dermatology residents, fellows, postdoctoral fellows, early-career researchers and clinicians with a passion for innovation and problem-driven research are encouraged to apply.

Application Window: January 5th, 2021 - February 15th, 2021.

All selected applicants will be notified by March 15th, 2021.

Program Dates: April of 2021 - March of 2022.
