Dear Colleague,

The UEMS Executive has decided to organize a meeting between the UEMS and European Scientific Societies that will take place virtually via Zoom on Saturday 10th December 2022, from 10.00 to 12.00 CET.

The topic of this meeting will be "*Advancing the UEMS-ESS collaboration in a post pandemic era*". The objective of this meeting is to review the areas of cooperation between UEMS and European Scientific Societies and to explore new ways of developing common projects.

We would be very grateful if you could forward this "save the date" to the European Scientific Society or Societies active in the field of practice of your specialty.

We will provide you with further information on this meeting in due course.

We thank you for your kind collaboration.

Yours sincerely,

Prof. Vassilios Papalois
